

LIST OF CAPABILITIES

Our focus is to provide quality process equipment with excellent customer service. I have listed a brief summary of our services below....

- Custom Industrial Process Equipment
 - o Design Build / Build to Design
 - We have been building production equipment for over 38 years from food lines to ammunition lines and delivered jobs as far as China and Egypt.
- Metal Fabrications
 - o Structural Steel
 - o Stairs, Factory Framework, etc.
 - o Weldments
 - o Tanks, Cylinders, Towers
 - o Dumpers
 - o Conveyors
 - o Repairs
- Machining (Tool & Die)
 - o Design and machining of custom parts
 - o OEM Replacement parts and repair
 - o Jigs, fixtures, etc.
 - o Industrial and Construction related repair
 - Bushings, shafts, etc.
 - o Large Capabilities
 - **Lathes that swing up to 60" diameter with 20' centers capable handling items over 35 feet in length**
 - **High capacity horizontal boring mills capable of holding chunks of steel larger than most cars**
 - CNC
- Sheet metal
 - o Custom Sheet Metal Parts
 - Funnels and Conveyor Chutes
 - Tanks
 - Containers and Baskets
 - Shelving, Lockers
 - Customer small items
 - o Electrical Panels
 - o Ductwork
 - o Etc.
- Electrical
 - o Electrical Panels
 - o Custom control wiring

HUFFMAN

WELDING & MACHINE, INC.

6224 Avenue O
Fort Madison, IA 52627
Phone 319-372-7232
Fax 319-372-3469

- Industrial Maintenance and Millwright
 - Installation of our Process Equipment
 - Tear Down of old equipment
 - Tear Down, Repair, and re-install of broken equipment
 - We have torn down, repaired and reinstalled work all over the Midwest on bridges, in factories and more.
- Engineering
 - Part Design
 - Process improvement, lean principals, and industrial engineering
 - Safety guided design principals and consultation
 - Weld process and mechanical engineering
 - Part fitting and tolerance knowledge to help you get your operations running smoothly.
 - Process line design
 - Curelines
 - Overhead conveyors
 - Open top and closed top conveyors
 - Rinsers
 - Gripper elevators and lowerators
 - Accumulation systems
 - Packers
 - Dumpers
 - Presses
 - Automation.
 - ◆ Product movement
 - ◆ Assembly
 - ◆ Filling and capping stations
 - ◆ Motion sensing
 - ◆ Vision Systems
 - ◆ Safety (light curtains, etc.)
 - ◆ And more!

Increase your uptime and enhance product design!

- Supply
 - Industrial Supply Store
 - Used for local customers and is a valuable resource in having parts for quick turn key projects.
 - Huffman's Farm & Home
 - Adds more resources for our customers and for us to use in our ability for quick turn key projects
